## **Who Will Benefit**

**Our mandate is to grow talent and jobs  
in digital media and all arts.**

### **Examples of who we serve....**

#### **Children and Teens Ages 8 to 18**

Over 500 children and teens have taken our classes. Low-income youth are sponsored by donors.

#### **Recent Grads and Emerging Filmmakers**

We offer training classes and work placements to recent grads and new filmmakers - some are paid. As well, we help to fund films and offer our facilities.

#### **Retirees and Seniors**

We contract students and professionals to offer instruction, and we promote intergenerational film and art projects.

#### **Newcomers and the Cultural Community**

We work with filmmakers and artists from around the globe, help theming to re-establish their arts and film careers in Windsor-Essex.

#### **Artists, Writers, Actors, Musicians and More**

Every film needs music, graphic and visual art, and a good story so we work to network and connect local talent. Film is the art that encompasses all other arts.
